DJ PARTYWIDME

Natalie was an active partygoer, who in less than one year turned her passion for music and partying into a VERY lucrative Party Entertainment Business. Natalie's high energy and fun party personality immediately allowed her to connect with well known corporate companies, clubs, restaurants, lounges and event venues around Atlanta. Natalie has worked with over 100 private clients of all ages, nationalities, and different music preferences. She has also DJayed Internationally. Natalie is known for her creative dance mixes, professionalism and energetic personality. She also has a wide selection of clean music for corporate and special events. (this is a very small portion of all events, venues, and private clients listed).
